

****Dutch follows English****

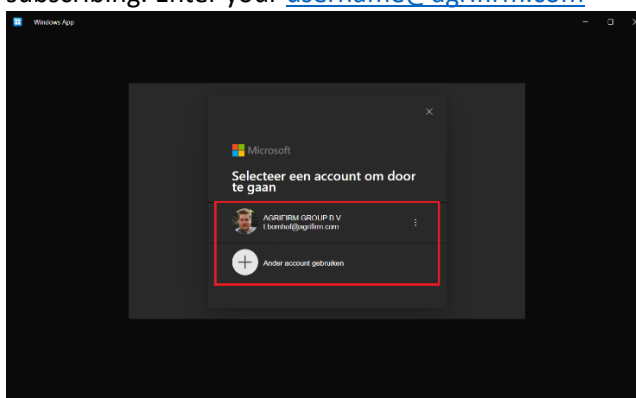

The MyApps start menu application(s)

Agrifirm users with an Agrifirm device are able to open applications published on the MyApps portal as local application(s) as follows:

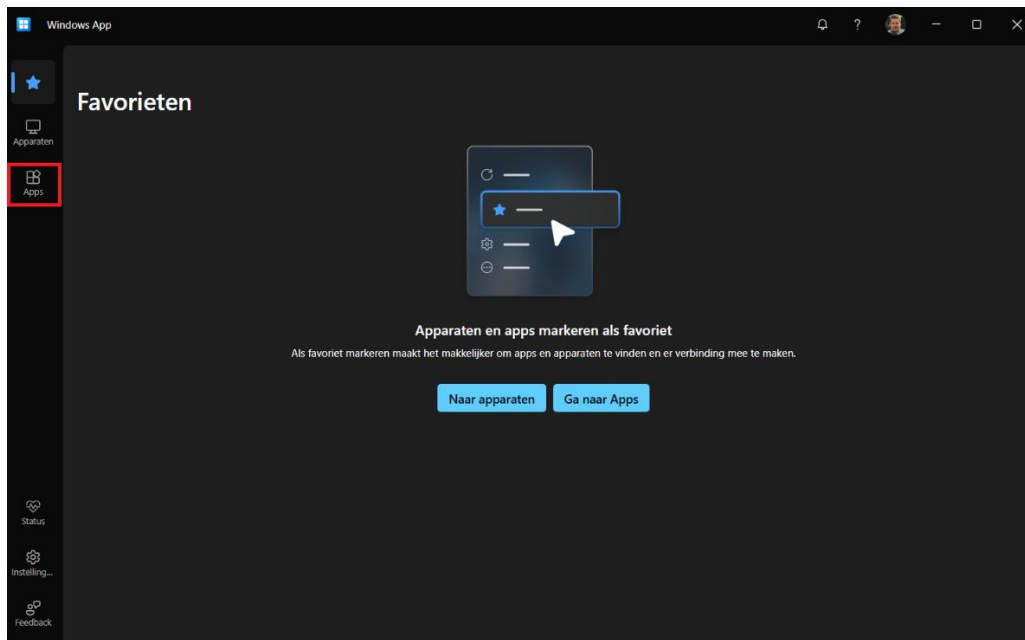

1. Open Windows App in the start menu

2. Open the Windows App application click on 'Subscribe' if requested. Enter your e-mail for subscribing. Enter your username@agrifirm.com

3. MyApps will open with the following screen. You can access your myapps applications by clicking on the 'Apps' icon.

*Agrifirm users **without** an Agrifirm device can open the MyApps two ways. From a browser or via the Windows App application:*

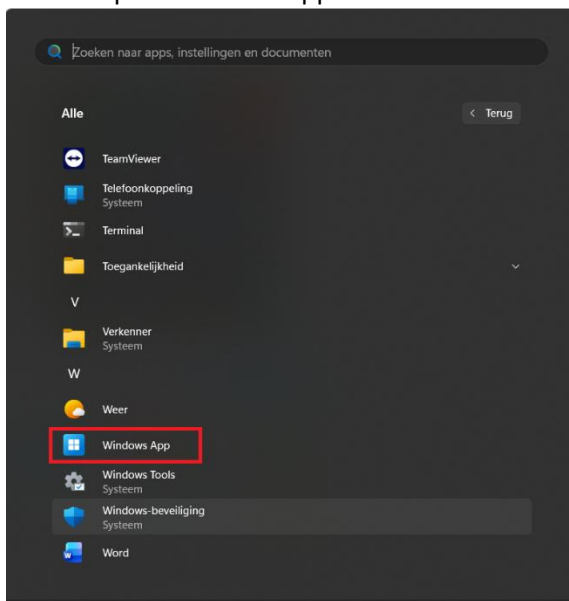

1. From a modern browser (Google Chrome, Microsoft Edge or Mozilla Firefox), go to the following URL: <https://myapps.agrifirm.com> and click on the link: click **-here-** for webportal login
Login with your Agrifirm account. Keep in mind that MFA is mandatory.
2. install Windows App and connect to MyApps from this application. The application can be downloaded from:
https://myapps.agrifirm.com/WindowsApp_x64_Release_2.0.964.0.msix

From the application you can choose to subscribe and enter your Agrifirm e-mailaddress.

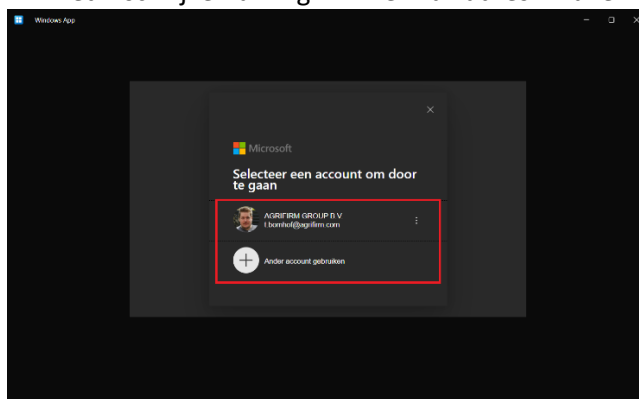

De MyApps start menu applicatie(s)

Agrifirm gebruikers met een Agrifirm apparaat kunnen de MyApps als lokale applicatie(s) als volgt openen:

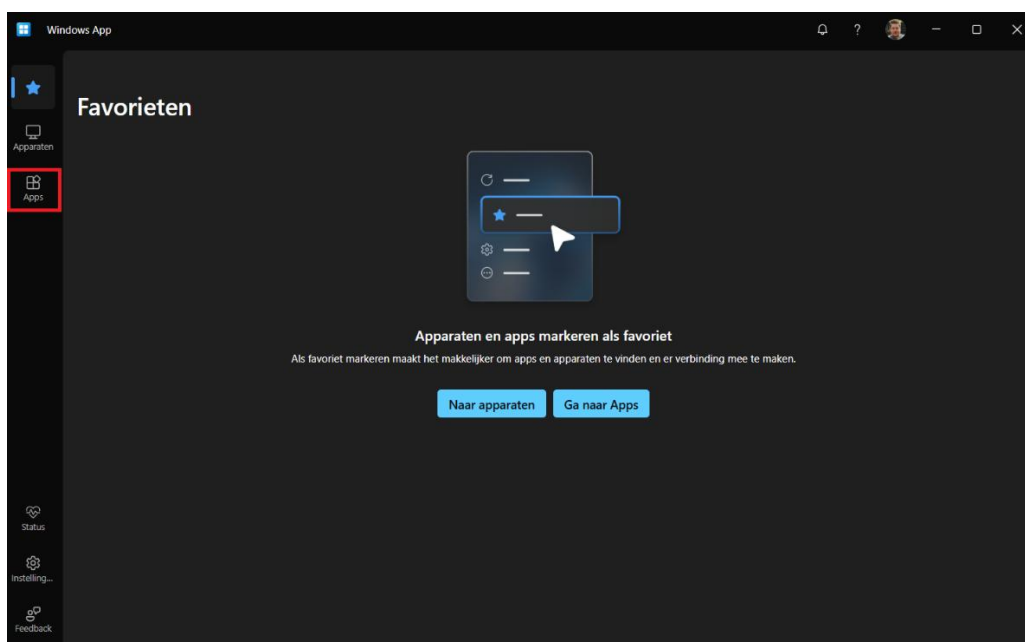

1. Open Windows App in het start menu

2. Open de Windows App applicatie en klik op 'Subscribe' indien gevraagd. Dan moet u voor het inschrijven uw Agrifirm e-mail adres invullen. Voer username@agrifirm.com in.

3. De MyApps wordt geopend met het volgende scherm. U kunt dubbelklikken op de toepassing die u wilt openen.

Agrifirm gebruikers zonder Agrifirm device kunnen de MyApps op twee manieren openen. Vanuit een browser of via de Windows App-toepassing:

1. Ga met een internetbrowser (Google Chrome, Microsoft Edge of Mozilla Firefox) naar de volgende URL: <https://myapps.agrifirm.com> en klik op de link 'click **-here-** for webportal login' Log in met uw Agrifirm-account. Houd er rekening mee dat MFA afgedwongen wordt.
2. installeer Windows App en maak vanuit deze applicatie verbinding met MyApps. De applicatie kan worden gedownload van:
https://myapps.agrifirm.com/WindowsApp_x64_Release_2.0.964.0.msix

Vanuit de applicatie kunt u ervoor kiezen om u aan te melden en uw Agrifirm e-mailadres in te voeren.
